

FISCAL NOTE

SB 1755 – HB 1437

March 12, 2007

SUMMARY OF BILL: Specifies that the adjustment made to state education funding for the shifting of students between LEAs as a result of changes in LEA boundaries applies to changes in boundaries resulting from annexation.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumptions:

- The Department of Education already considers the shifting of students between LEAs as a result of changes in LEA boundaries from annexation.
- The addition of the language “whether by annexation or other cause” has no impact on the accounting for students for ADM purposes, nor does it impact the apportionment and distribution of state education funds as already mandated.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".
